November is National Runaway Prevention Month (NRPM), a public awareness campaign designed to “Shine a Light” on the experiences of runaway and homeless youth that too often remain invisible. It is also an opportunity to spotlight the resources available to support youth in crisis throughout the nation. As part of the campaign, individuals, organizations and communities across the nation are encouraged to work together to prevent youth homelessness.

Everyone has a part in ending youth homelessness, and we invite YOU to join us in raising awareness about these important issues!
